Step One: Dry fit the two halves of the shape.

**\*\*Some assembly required, but we made it easy for you!\*\***

**You will receive 2 halves that must be put together to achieve the 3D look.**

**Just add a drop of glue when joining the parts together.**

Step Two: Add a drop of glue (wood glue, hot glue, super glue) and slide the pieces into place making sure the two pieces are flush on the bottom.

Step Three: The 3D shape is now ready for your personal touches (paint, glitter, ribbon, fabric, beads, decoupage).

**Ready to decorate!**  
**It doesn't get any easier...**

**Paint, add ribbon, fabric or jewels.**

Step Four: Your 3D shape is now ready.
